HELPFUL REMINDERS FROM STUDENT LEGAL SERVICES

**Speed limit on 17th Street is 25 mph**
Wait until you get to Vine Street to go 35
If you are stopped for speeding and the officer smells alcohol, you can be tested for DUI.

Great time of year to ride bicycle
Be sure to lock it up
And if it isn’t yours don’t ride it.
UNLPD has unlocked bikes around campus that they watch and monitor with hidden GPS tags. If you use it, you will be ticketed for theft.

Have fun at the football games and all of the other spectacular sporting events on campus, but remember that:
1. You must be 21 years old or more to consume or possess alcohol.
2. It is ILLEGAL to consume alcohol in public, except in limited circumstances such as legally sanctioned tailgates.

Parties are a great way to meet new people and can be lots of fun, but they also attract the attention of your neighbors and the police.
1. Designate a sober roommate to control the door.
2. Do NOT allow minors to consume alcohol.
3. Keep the noise down – talk with your neighbors before the party.

4. If contacted by police, step outside, shutting the door behind you. Ask how you can help. Be polite and cooperative but remember: Police cannot search your home without a warrant. If police ask to search say, “Officer, I do not consent to searches.”
If your landlord is slow to make repairs, come see us at SLS. Be sure to keep copies of all correspondence with your landlord.

Here’s hoping you have an educational and fun school year
