

FORM K — REFERENDA AND SURVEYS

State of Nebraska — County of Lancaster

Please see the ASUN Constitution for instructions on the processes for referenda and constitutional amendments.

A survey is a question submitted by a member of the University community for response during the ASUN Student Government General Election. Because of the need to develop a ballot and publish samples, the precise language of any survey for the General Election must be delivered attached to Form K to the ASUN Director of Administration by 5:00 pm on the filing deadline.

In order for the survey question to appear on the ballot, the question must meet one of the following two requirements:

1. The survey question must be approved by the ASUN Senate in the form of a bill not later than Wednesday, March 12, 2025.
2. The survey question must be submitted in the form of a petition signed by at least one percent of eligible voters by 5 p.m. on the filing deadline, Thursday, March 6, 2025. The Electoral Commission is responsible for validating the signatures on the petition.
