## **RECOGNIZED STUDENT ORGANIZATION**

**Computer Interest & Contract Form:** By completing this form, this does **NOT** guarantee your organization a computer, but indicates your interest.

To be eligible for a PC or Mac computer, student organizations must maintain their annual review form and be in total compliance with all rules and regulations established by the University of Nebraska - Lincoln and Student Government.

It is understood that technical support and/or warranties are not offered for any computers received under this program. DO NOT CALL Information Services Labs personnel with questions about these computers! Instead, users are encouraged to utilize departmental technical personnel for any support issues relating to hardware or software that may arise. For a fee, users may get assistance from Information Services Computer Repair (472-5785) or Custom Support (472-8846).

It is hereby understood that this computer will be maintained by the student organization and will be for the exclusive use of the student organization. The computer cannot be sold or rented to another organization or student. ASUN and UNL Information Services claim no responsibility for defective machines or repairs to the computers.
